# The New Hope Automobile Show 2017

Official Registration Form

**One day.**  
Sunday, August 13, 2017

SINCE

1957

CELEBRATING 60 YEARS.

**The New Hope Automobile Show** is celebrating 60 years! For six decades, The New Hope Automobile Show has been *the* show for antique and classic automobiles to compete each year. As one of the oldest and most prestigious automobile shows in the country, we invite you to show your vehicle with others of equal caliber, and to compete for the coveted New Hope awards.

This year, in addition to supporting scholarships for qualified New Hope-Solebury High School students, your registration fee goes to help fund cancer research at Fox Chase Cancer Center.

**ONE DAY SHOW.** Ongoing construction at the high school has limited us to **just one day** this year, **pre-registration is very important.** We have limited space on our fields, so it's really important to register your car in advance. **Use this form to register today, or register online right now at [NewHopeAutoShow.com](http://NewHopeAutoShow.com).** Remember, **ALL VEHICLES MUST REGISTER IN ADVANCE.**

**Help us continue the fine reputation of the show by following these simple guidelines:**

**Register early.** This year, the show is limited to 300 vehicles, so register early by mailing a check with this form, or by registering online at our website. **No cars will be registered day of show.** Remember, there are limited spaces for each division.

**Be ready for judging.** All owners wishing to have their vehicles judged, must make sure the vehicle is in competitive condition.

**Judging standards.** In most divisions, judging guidelines and standards follow those generally accepted by nationally recognized owners groups such as the AACA. In marque divisions, the standards are usually those of the marque's owners club.

**Display only vehicles.** If you do not wish to have your vehicle judged, you are welcome to show in the appropriate category. Please indicate on your registration form that you do not want to be judged. Vehicles must be in presentable original condition.

**Show car arrival time.** In order to qualify for judging **all show cars must arrive at the show grounds by 10:30 am** on Sunday. The show car gate opens at 7:00 am. Vehicles arriving after 10:30 am may not be eligible for judging. **For public safety reasons, we must close the show car gate at 12:00 noon.**

**Safety first. All show vehicles must have fire extinguishers.** Please heed the marshals' instructions while moving your vehicles on show grounds. We do not wish to have a pedestrian-vehicle accident. Think Safety!

**Insurance.** Please be sure that your vehicle is properly insured and that you have your insurance certificate with you.

**The Governor's Cup.** All AACA, CCCA, LCOC, RROC and other nationally recognized seniors and juniors compete in the Senior Division for the Governor's Cup of the Commonwealth of Pennsylvania and are recognized with NHAS preservation awards. One Governor's Cup will be awarded to the finest pre-1950 (through 1949) automobile. A second Governor's Cup will be awarded to cars made in 1950 and after. Each receive a replica Governor's Cup and their name inscribed on the perpetual Governor's Cup trophy. (At the discretion of the judges, The Show reserves the right to award just one or no Governor's Cup.)

**Parade of Champions.** One of the highlights of the show is the Parade of Champions. Only Senior and First Place winners go through victory lane. Second, Third, and Honorable Mention winners will receive their ribbons in place at their vehicle in their Division/Class. All other show car owners are asked to remain on the show grounds until the parade is completed.

**Authentic automobiles only.** Only authentic models of recognized automobile manufacturing companies are accepted. Customized cars, aftermarket parts-modified vehicles, replicas, kit cars, and other such vehicles will not be accepted. Vehicles in the High Performance Production Cars (HPP) division must be American made and completely stock as delivered by the manufacturer without modifications. Late model Shelby Cobra automobiles will be accepted with proof that the vehicle was manufactured at the Shelby facility. Vehicles may be turned away on the day of the show if modifications are found. There are no exceptions.

**Alcoholic beverages and tobacco use.** Because the show is conducted on school grounds, consumption of alcoholic beverages and the use of tobacco products in any form are strictly prohibited at all times. State and local regulations prohibit any exceptions to this policy.

**Pets. No pets are allowed on the show grounds** unless they are Leader, or Seeing Eye dogs or other animals used for assistance by handicapped persons.

**Bicycles. Bicycles are not allowed on show grounds.** A bicycle parking area will be available at the spectator entrances.

**Spectator admission.** General admission is \$10; Seniors \$5.00; Active Duty Regular Military, Active Duty National Guard, and Active Duty Reserve personnel and their dependents (must show ID) Free; Children 12 and under are free when accompanied by an adult. Policies regarding alcoholic beverages, tobacco use and pets apply to spectators, as well. Public gates open at 9:00 am.

New Hope Automobile Show  
P.O. Box 62, New Hope, PA 18938
